“ *I am so sad this happened to you Mark. You were so crazy and fun. You were fearless that's for sure. I miss you and sorry I never came around I always think about that time we were all singing to Rod Stewart's songs especially Maggie Mae those were the greatest memories I have.*

“ Uncle Mark,  
*In the midst of this horrible tragedy, I will always remember the goofy uncle that would do anything to gross me out or make me laugh. I remember you swallowing lizards and bringing them back up while it was still alive. I also remember you always kidding around saying "little girl, would you like some candy?". You always liked to be the life of the party. I never doubted your love or loyalty to our family. I only wish I could have spent more time with you before you left this earth. You will be missed but never forgotten!*

“ Oh my dear sweet Uncle. You were like a father to me whenever we would get together. You loved your family with conviction and and fierceness like nothing I've ever seen. You were always there for my Mom when she needed you. You comforted me with silly jokes and goofiness when I was down. I remember whenever you gave me a hug I always felt so safe in your strong arms. I miss you terribly and I pray that God has made a place for you by his side. May you rest in peace, love and light.

“ My heart is saddened.... Know that I love you Hampton Brothers.. Ricky...Bruce.. Steve..Keith..David... I pray for peace in your souls.... I have so many crazy memories of Mark... He was a fearless man... If he loved you it was true and with his soul...How the years have gone and our lives have changed..I still see you Mark Hampton as the strong fearless young man... I had surgery when I was 17 .. Donald was not able to be with me...So Mark sat with me in the hospital 3 days...The nurses loved him of course.... I was so grateful to have him with me.. I love you my Brother...see you in the resurrection.... We will talk then and life will be good.. Rest Easy...

What do I say....I can only say buddy I have known you for over 40 years and cannot believe this happened to you. I miss you. I'm sorry I never came around. I always had you in my thoughts and prayers and hoped your life was ok these days. Deep down I always worried about you and all your brothers. I remember my mom used to sneak food to you Rick & Donald and let you sleep in our garage without my step dad knowing. You were always that rebel. I remember so well how Bruce myself you and Linda Harvey snuck into the Holiday Inn Pool and they were playing Maggie Mae and we were just belting out the song to the top of our lungs and it was so great that day. I'll never forget that. RIP my friend.....Carol Gallagher
