“ I just learned of Mark's passing today. My deepest condolences to his family. I was a customer who also called him a friend. I have referred so many friends to him because of his honesty and integrity and wonderful work. He was left alone in both my home and my condo. He was loved by all members of our family including our dog. My son could talk to him about the "Noles Football" for hours. We talked politics, religion and most importantly and most passionately FAMILY. He loved his family so much! He adored his grandchildren! A man of great faith. I have been praying for him all year and I am so sad to hear that he has left this earth. I will miss the kind man and his white painter pants and his perfectly folded drop cloth. Rest in peace my dear friend.

“ Mark,

We may not have always seen eye to eye when it came to certain situations but I just want to let you know that I always valued your opinion. You were always there for Steve regardless of the situation. I will help look out for Diane if she allows me to do so. My fondest memory of you was at Steve's and my wedding, you were so disappointed that we didn't smash cake in each others face, or at least you acted as if you were, so I smashed it in your face. I still laugh when I look at that picture they took with me smearing cake and icing all over the side of your face. I missed a lot of years with you and your family, for that I am sorry. I will miss you! Love always

“ *Mark painted for my company JWallace & Associates for about 2 1/2 yrs. Never saw a painter who could move and get a job done like Mark. He became my sole painter.*

*We had football in common and thought along the same lines. We became good friends. The one thing I will always miss is speaking with him. I couldn't wait to talk to him. He just had that way about him. He was so full of energy. I will greatly miss you. Your friend always,*

“ Having known Mark and Diane for 42 yrs, I can say that he will be missed beyond measure! His dry wit, soft spoken voice, his smarts (soooo smart!), and his talent as a painter are sending many reeling with the loss. He was a good friend, a loving husband who had said he could never live without Diane, a wonderful father and a terrific grandfather who has left his 'mark' on all of us. I will never be able to see hummingbirds, Cocoa Puffs, Peter Pan Peanut Butter and Welch's Grape Jelly without thinking of him! Rest in Eternal Peace my friend until we join you in Heaven! xoxoxo

“ God saw you tired and A cure was not to be  
He put his arms around you and Whispered come with me  
With tearful eyes we watched you slip away and though we loved  
you dearly we couldn't make you stay

Your golden heart stop beating and your tired hands put to rest  
God broke our hearts to prove to us he only takes the best

We loved you Mark like family , It's hard to believe your gone. if you  
only realized how you touched so many hearts with your kindness  
and gentle soul. You always took time to chat about family and life. I  
remember so many of our conversations through life as well does  
Bob, Tracy and Kelly You watched them grow from babies to having  
families of their own. My children miss you You were a good friend  
and father and a devoted husband who told me many times how  
proud you were to be Diane's husband You loved those  
granddaughters, how proud you were to whip out their pictures  
every time I saw you and a big smile would come across your face

Rest in Peace GONE TOO SOON

To his son's make your Dad proud as I know he loved you both very  
much and look after your Mom

Love Diane and Bob Dello Russo. Daughters Tracy and Kelly
