“ *Ray G. Lomicka - Friend posted a condolence My condolences to your family on the passing of Red. I remember Red and Margaret at many of our family parties which were hosted by my Sister and her husband, Laura and Danny Simkanich. I know that they are in many of our photos from years and years of birthday and anniversary parties, just like a part of our family. And I will miss not seeing him at our next gathering, but understand he is now at rest. Peace be with you.*
