“ *Martha was the wife of Kenneth Clark. Their story is one of true love. A love like no other. This year would have marked there 60 year anniversary of marriage but they grew up together. They lived on the same street in Springfield Ohio for all their lives. Also I want to point out that she’s survived by her son Bryan Clark and her two Daughters Michele and Wendy. She also is the youngest of seven and survived by her sister Norma Jean Webb who currently resides in Ohio today.*
