“ *Aunt Marti was more than just an Aunt to me. She was like a mother to me as well. She always supported me as if I were her son, and I could always count on her to come see my shows whenever I was on stage. I will miss all the memories as well as the banana bread! :-)*

“ Marti was a very special woman and I am blessed to have known her. She was the best grandmother my children could have ever had and we all loved her dearly. Not many kids get to go to school everyday and have their Grammy right there everyday to look out for them and she definitely did. She will forever be in our hearts!

“ My Grammy was one of the bravest, strongest people I've ever known. She was never shy about speaking her mind and she loved life with everything she had. I hope to do the same and make her proud. I love you so much and I miss you every day, but your presence in my life will never be gone. You will always be loved, Grammy.

“ So very sorry to hear of the passing of Martha, please take comfort in the hope of being reunited with her again as brought out in Joh 5:28, 29 "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, and those who practiced vile things to a resurrection of judgment."

Marti was a very special woman. She was such a strong woman and loved her family so much. I am blessed to have known her and feel that she is at peace now. I pray for her family and hope that they can be just as strong as she was. She will be in our hearts until we can all meet again.
