“ Many prayers and thoughts are pouring out of our hearts to your family. We loved seeing all the family file in for the holidays and how they have grown, especially Halloween. You had costumes for the kids in all sizes. It was evident to the whole neighborhood how much you are loved by your whole family. Thanks for being a great neighbor that watched my kids from time to time. We know you are in a better place now.

R.I.P. Martha. you were a very close, dear, and wonderful friend, and i will miss you very, very much. i was "truly blessed" to have met you so many years ago, and to have you as a "great part of my life", as well. i have always loved and cared for you as a sister, and i will always "cherish our friendship", as well, as "reflecting back onto all of the wonderful, and awesome times that we shared together, too! i know that you are "an angel in Heaven", now, and are very happy. i also know that you are going to be "watching down from Heaven" and "keep your family safe". i also know that we will all "see you again one day", too. I Love You Martha! God Bless you!
