“ Daddy:

I miss you so much. I am so sorry that there was not a memorial service or gathering with your remains at the time of your death. I, as well as others, do not have that closure which is much needed as this plan was not made and I deeply apologize for this disservice.

I am so grateful that I had the opportunity to speak with you only a few hours before your death.

I am working diligently on making that right. You are in my heart forever. I love you!

“ *I am Mike's (aka grandpa's) oldest granddaughter. Visiting Florida will not be the same now that grandpa is gone. I will always remember him as the zany grandpa, who always liked to joke and have fun. I saw him a few months ago, and I could see glimpses of the grandpa that I remember as a child and teenager. I was calling him "Grandpa" and he called me "Grandma" as a joke. That was how grandpa was! I will greatly miss him, and I just can't believe that he is gone.*

I have attached a picture of grandpa with my son - his great-grandson, William. (Also pictured is grandpa's son, Matt).

“ I gonna miss my father, he was a strong and gentle man and as his daughter who became very close to him in the last four years or so, we were best buds. I was very proud of him and his service to our country as a Marine Officer in the Korean War. I get my work ethics from him, most of his working life was with the airlines for over 33 years.

I will miss you a lot, my father

*Love,
Sharon*
