“ *The first time we met Maryann and her husband Clem was 17 years ago. I will never forget them coming over to introduce themselves with 4 homemade apple turnovers. I knew that day we moved next to very nice people.
Over the years we all became family to each other. We have so many fun memories to cherish.
Thoughts and Prayers to Maryann's family.*

“ *She was a lovely person and kept you on your toes! I have fond memories in the last few weeks of her life and will cherish those conversations. I will be looking for orange tulips and I will be forever connected to her! You fought a good fight and now it's time to rest and be happy with your family on the other side! Godspeed!*
