“ I spent many Sundays growing up in the Evans household and still hold on to so many of those loving and colorful memories. :) Aunt Mary Ann was always kind to me. Up until only a week or two ago she was sending me positive messages and funny quips on social media where we recently reconnected. She was always funny and lighthearted in my eyes. Uncle Hank and Nicole- I'm very sorry for your immense loss. Wishing your family peace and love now and always.

“*Mary Ann, my sister. A somewhat shy, often introverted woman who loved her family both immediate and extended. She waited 72 years to become a Grandmother and tragically only had the opportunity to hold her newborn granddaughter once before being hospitalized. Her excitement to watch that baby grow up was taken from her far too soon. Mary will be missed deeply by those who truly loved her. Rest peacefully Mary, you've earned it* □

*Aunt Mary Ann, City Rat 🐭.
I have spent the past few days thinking about our conversations. You always said, "I am always here for you. I have big ears and wide shoulders when it comes to you," and I never had the opportunity to tell you how much that meant to me. I valued your opinions, and I loved your no nonsense attitude. You called it like it you saw it, and I'm going to try to be that way for you now.*

*I love you,
Kasey Rose (Your Country Mouse 🐭)*
