“ *Ever since I was just a young teenager both Mom & Dad R were like my second parents. I will always treasure the fond memories of the good times spent visiting at the old house on Mayfield, and later on at the mobile home park. There was always an open door for me, and they both were always there for me. I am a richer person for having had them both in my life.*

*Ever since Dad R passed away, Mom R has missed him everyday and wanted to be reunited. Although I will miss her dearly, I am glad that they are together again.*

“ Please accept my sincerest condolences on the loss of your dear Mother. Back in the day, when Mr. & Mrs. Ridgeway were busy raising their children at the white house on Mayfield Road, I was one of the lucky kids they welcomed into their cheerful house. I have so many great memories of hanging out with Sue through our middle school and high school years. And Mrs. Ridgeway kept an eye on everything while sipping a diet cola and quilting. Thank you, Mrs. Ridgeway, for being a calm and loving presence during those hard teen years.

“ I'm a long time friend of Mrs. Ridgeway's daughter, Sue. I'm so sorry to hear of her passing. She must have been a wonderful woman with amazing qualities she passed down to Sue as the fruit doesn't fall far from the tree. A woman who has raised a good family she can be proud of is a success. My condolences to the entire family. I pray for your peace and comfort knowing she is with your father this Christmas. Let your precious memories carry you through the hard times.

“ Mary Ann was my best friend for so many years. She was very special to me. Shopping, eating out or just hanging together. She was always there to help me with my mom when she got sick and she was a very good friend to my mom. They would go shopping, eat out or just hang together. She was always there for my mom and and me. I missed her so very much when she left for Florida. Love you Mary Ann! Rest in peace!
