“ *Sending our deepest sympathy to the Wagner family in the passing of Mary, an extraordinary friend and Princess of the Fugarwee tribe. Our families shared so many great times from Shaler to Harrisville; picnics, canoeing on the lake, the women weaving tales on the back deck while the men competed at horseshoes, swimming, fishing, hiking... Of course, we will never forget the story behind the Chief of the Fugarwee tribe; who looked out over the back pond for many decades; and set forth our tribal family bond. We will always treasure our fond memories of Mary and Dan. - The Prorok Family*

“ I knew Mary thru the Glenshaw century club. I remember when i was new and felt a bit awkward in the club, Mary took me under her wing and showed me the ropes. One memory i have was, one time Mary and I were going to work on some crafts in the basement of one of the members homes. Now that member happen to be on vacation and Mary had her alarm code so we could get in except that we forgot about it and opened the doors without putting in the code. Needless to say the alarm went off and 5 minutes later the police showed up. I will never forget her response. I am a little old lady, do i look like a burglar. Lol the police laughed after they spoke with the homeowner of course. She was an awesome lady and i will miss her.

“ My fondest memories of Mary was her tireless efforts in creating items for the Glenshaw Century Club House Tour. Mary had “an eye” for what would sell and how to go about creating them. RIP Mary.

“ Thinking about the old days on W. Genesee Ave. Mrs. Wagner actually liked Dan's friends and we tried not to get into too much trouble. Rest in peace.

Aunt Mary was my favorite aunt. Before she and Uncle Dan had children, when I would visit in Glenshaw, they would take me everywhere. I really enjoyed them both throughout my years, they were my favorites.
