“ *Mary Lou and I started school at McElwain School in 1947 In Bridgewater and graduated together on 10 June 1959. I remember her in a school play at McElwain School and her part was "There was a little girl, who had a little curl right in the middle of her forehead, and when she was good, she was very very good, and when she was bad, she was horrid." and she was sitting in a chair on the stage with a beautiful curl hanging in the middle of her forehead. She turned out to be such a lovely Lady.*

Thoughts and prayers are with you at this sad time. I am sure your mom was a lovely gracious woman....just like her daughter. Take care.*
