“ *Betty Frank - Friend posted a condolence So sorry. Mary was one of the good people. Her smile was ever present. She made going for coffee and donuts after mass at Transfiguration very special. We both liked reading, and would occasionally exchange mysteries. I know she will be greatly missed!*

“ *Mary Lamb - church friend posted a condolence Mary will be greatly missed at our 4:30 pm Sat mass. When I approached Mary to say I'd like to volunteer as a lector she welcomed me as if I were a long-time friend even though I'd just joined the church. Mary was an elegant, bright light to me & I will miss seeing her. She was a Blessing.*
