“ Mary and I met in 5th grade. Been good friends ever since. As years grew I called her Mc..I have alot of memories, however the most cherished was a few months ago I spent 3 days with her and Steve. We stayed up most all night the first night. She introduced me to garlic stuffed olives and crackers !! YUM...We talked about our memores we made over the years and laughed our heads off.Before I left she was on a vinegar kick, and I talked her into taking a table spoon of it.....It was absolutely one of the most funniest faces and actions I have EVER seen in my laugh !!!Never could get her to do it again and record it to send to me.....lol
