“ *Nancy High - Sister posted a condolence I am so proud and fortunate to have had Mary Ann as my sister. Her generosity and dedication to friends and family was evident throughout her life, never failing to help any of us when we were in need. Through her sewing and quilting talents she left each of us with special memories. For me it is the "love letter" box she mailed to me at Brenau in 1956 (which I still have), the Indian costume she made for Joe for his Thanksgiving feast at school (passed on to his son), or the more sophisticated wall hangings that I enjoy everyday. She had a great spirit, and I will miss her terribly. Everyone should be as fortunate as I was.*
