“ We are so sorry for your loss.. I will always be thankful for being able to be dear fiends with this amazing, woman for 28 plus years. She always had advice, opinions and love for life. We laughed, cried, shared our life's with each other and will always have a special place in my heart. She loved spending time with her family, water parks, were always a favorite to get all the family together. I was with her when she met her husband, and she introduced me to mine. She was beautiful, full of life and willing to try almost anything. I remember she told me she prayed to God to bring the right man into her life, said she was specific, religious, had to be a dancer, a good family man, etc. that was Mary,. Always had God as a central part of her life.

“ I am so very sorry for your loss. Your mom will be greatly missed and never forgotten. I will always cherish the many times I was able to spent with her. She was such an amazing, beautiful woman on the inside and outside. She was very loving & caring and best of all, never afraid to speak up and give her advice. When I heard her say “Well.... you know what I would do”?? I just knew she wasn't going to stop there. Then if she caught me rolling my eyes, she'd shake her head, give a little giggle, Lol. Mary will always be in hearts.
