“ Bob Ricker (New Hampshire) - Friend of Robin (OGR) posted a condolence Dear Robin & Family. Wow, this is not the time for our parents. They are leaving us at an alarming rate. My thoughts and prayers are with you and your family as you strike the difficult balance of suffering a loss and being there for others you serve at the same time.

“ Mike and Sherry Colborn - Friend posted a condolence Arlene and Robin: Sherry and I were very sorry to hear about you mother. Thinking back over time, we have known her for over 45 years. We always enjoyed seeing her each year when we came to Florida, and have many fond memories of the brief times spent together. Some of her favorite things, will always cause us to remember her, like humming birds, shepherds pie and holidays with family. Two of her greatest accomplishments are the children she raised. Two old neighbors, Mary and Doris will have a lot of catching up to do. Our thoughts are with you at this time of sorrow. Sincerely, Mike and Sherry Colborn Peachtree City, GA

“ Tom Trader - ogr member posted a condolence To Robin and his family, got the notice about your mom from Kevin, here is a pryer that we just use, this is for you and your family. There's an open gate at the end of the road, Through whick each must go alone, and there, in a light we cannot see, our father claims his own... Beyond the gate, your loved one finds happiness and rest, and there is comfort in the thought that a loving god know best. May God who calls our deat ones home and grands them peace and rest, Give you the strenght and faith to say that He indeed knows best. Again think of you and your family. tom trader

“ John & Barbara Wenig - friends of Rob and Cheech posted a condolence Hello Rob & Cheech Our thoughts and prayers are with you both during this time. May the next few days be filled with peace and reflection on the goodness and love of your mother. May you feel the support of the many friends you have made not only in OGR but also around your community and the country. You are special friends and we are glad that our paths have crossed through OGR. In the next days remember to be the "son" and put your "funeral director" hat aside. These days you need to be ministered to, just like you do every other day to other people who have lost thier mother. God bless you both in a very special way...if we were closer we would give you each an endearing hug. Our love to you both....
John & Barb
