

Marylou R. Buxton

January 16, 1927 - February 18, 2016

"Marylou R. Buxton, was born January 16, 1927, in Des Plaines, ILL to Gerhard & Louise Rexses. She passed away Thursday, February 18, 2016 after an arduous battle with Pancreatic Cancer.

Marylou faced her death as she did her life, with strength, dignity, and courage. She is survived by daughters, Robin and Kristie Buxton, son-in-law, James Houser and grandchildren, Veronica & Ethan Houser.

It was her wish that no services are to be held, but to remember her as she was in life. In lieu of flowers, please make donations to Hospice of the Comforter."

“ *The sweetest lady who was first a client but soon became a friend for life! Her zeal for life is a role model for all of us to follow. It was the twinkle of her eyes that made you sit up and take note when she was speaking. You knew she was being serious. She was a woman who believed in speaking her mind but respecting the opinions of others. I will miss the many laughs over a cup of coffee with a very special friend. Thank you Marylou for sharing you life with us and for giving us the honor of making us a part of yours. May your children cherish your memory as they look into the mirror and know that Mom will always be with them, a part of you that will never fade in that beautiful smile looking back at them. You will be dearly missed until we meet again. May God give peace and comfort to Kristie, Robin and the family. It is a huge loss shared by so many. Our love to you all. Randy and Gail Noel*

ME

“ *What a very nice picture you have up of, Ms. Buxton. I am very sorry to read of your loss. With all her love and joys, I know she was an amazing woman. I won't pretend to know what you're going through, but what has helped me deal with the loss of those I love is turning to the Scriptures, something that has been a real source of comfort. One Scripture that gives me hope is John 11:25, which says, " Jesus said to her: "I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life." I hope that this verse will also comfort you and, I hope you and your family can get through this difficult time. Please accept my condolences for the loss of your beloved mother, grandma and friend. Sincerely, Meryl*
