“ I remember my trip to Florida with him! The trip
there and back will never be forgotten. Or the
time I asked him to do some laundry and I
came home to dirty clothes stapled
everywhere. On the ceiling walls.... carpet!
That was Matt!

Tiffany Craver - November 06, 2015 at 09:13 PM

lol Tiffany he loved that trip..believe me I heard all about it. And yes the
stapled clothes were definitely something he'd do. I came home from
work one day to find a poem duck taped to the front door and walked in
to find he had written in permanent marker all over anything he could
"Amanda Buxton, I love you" I couldn't even get mad that he'd written it
with permanent marker. He did so many romantic things like that.
