“ Dear Lara, Brian, Hudson, Ellie, and Klare, A baby is a precious gift from God, and it's so painful to lose such a gift too early. While you will never know why God needed Matthew back in Heaven so soon, we are taught there is a purpose for His every move. I pray that you find comfort and strength in Him. Look into the sky for the brightest star. That is your Matthew, smiling down at you. God bless you all.
