“ We celebrated your 21st Birthday without you my dearest boy. My heart is only beating on.0001% the rest is gone with you💔 I use to look forward to the future, only because I dreamed of you in it, graduating college, getting married, having children, and now that dream is gone, now I dream of the day when God calls me home , so we can be together again.

“ He was by my side everyday , he had so many dreams and ideas that cannot be fulfilled now. His kind heart compelled him to get out of bed and help a stranded, cold friend , he kissed his dad who was still awake , said “I love you , I’ll be back in an hour’ and never came home. The world lost a bright star.

This is a true tragedy, my mother and I are shocked to hear the news about Matthew. Matthew was a kind, intelligent and giving young man who was a blessing to have at school. May God grant strength to Nancy and Reza and peace for Matthew. Our hearts are broken and the Jafari family is in our prayers.
