

Matthew Todd Weisner

July 23, 1985 - September 5, 2024

Matthew “Matt” Todd Weisner, aged 39, of Lakeland, passed away on Thursday, September 5, 2024. Born on July 23, 1985, in St. Petersburg, Florida, Matt was the proud owner and operator of Ocean Side Flooring. His work was more than just a job—it was a calling. Matt approached each project with meticulous attention to detail and a heartfelt commitment, whether it was a grand renovation or a simple repair. His craftsmanship and enthusiasm were evident in every job he completed.

A devoted family man, Matt was known for his strength, hard work, and relentless drive. He cherished spending time with his loved ones and found joy in fishing along the ocean. His love for his family was unwavering, and he took great pride in providing and caring for them.

Matt’s legacy extends beyond his professional accomplishments and familial devotion. In a final act of selflessness, he chose to give the gift of life through organ donation, ensuring that his spirit of generosity and kindness would continue to touch others even in his passing.

He is survived by his beloved wife, Francelyn Weisner; his children, Laila and Aubree Weisner; stepchildren, Kiamcelyn and Marcos Sanabria; his parents, Matthew Todd Boissy and Pamela Weisner Lopez; and his siblings, Courtney Pagan (and her husband Jason), Brittney and Megan Weisner, and Logan and Travis Purvis. He is also remembered by several nieces, nephews, and a wide circle of family and friends.

A private service to honor Matt’s memory will be held at a later date.

Arrangements are being handled by DeGusipe Funeral Home and Crematory,
3530 49th Street North, St. Petersburg, Florida.

“ *Matthew no words can say the love that you brought into our house and family. I will always proudly call you my son and thank God for bringing you into our life as a child. I watched you grow into a wonderful, caring, man, father and husband. You were so proud of your accomplishment, home, work and bragged about the wonderful wife and children you were blessed with. I was just as proud and you will always be in my heart. Rest in peace my dear son. I'm sure you and Ruben will have many laughs together in heaven as you watch down on us all. 🤔❤️*

I'm so thankful that I have our daughter and everytime I look at her I see your face your DNA definitely kicked my DNA's butt we made such a beautiful smart and sweet girl she definitely has your personality and your looks so she's going to be alright I promise that I will always make sure she is happy and taken care of thank you for giving me the best gift that anyone could ever bless me with ...our daughter!! I'm thankful for all the years that we we were together. we had a lot of trials and tribulations but we made it through them. I am so proud to say that you are Laila's dad and my first true love 💕 remember everyone called us Bonnie and Clyde lol 😂 but no matter what we always had each others back and were there for each other when it really counted I just wish we had more time together and make more memories but one day we will see each other again because I know that you are definitely an angel looking down on Laila and I. You will always be apart of my heart and soul. Without you I feel incomplete but I'm going to stay strong and keep pushing so that I can continue to raise our daughter into a successful woman and a person that you would be proud to call your daughter. That is my way of honoring you and your legacy will live on through Laila

“ I just wanted to share a simple act of kindness Matthew did for my daughter that meant so much to her and me. Matthew had been in my daughter's dental chair and as she was doing a filling, her stomach growled. Once he was done , Matthew went out and came back with breakfast for her. She was so touched by that simple act of kindness. I'm sure there were many of those simple act of kindness that he did in his short lifetime. May God have you in his Glory.
