

## Maureen Elizabeth Perkins

February 4, 1948 - March 12, 2020

Maureen Elizabeth Perkins, age 71 of Orlando passed away after a long, stubborn battle with cancer on March 12, 2020. Maureen was born in Pittsfield, MA to George and Marie Marshall on December 4, 1948.

She is survived by her husband, Wilfred E. Perkins, Jr and son, Scott Perkins along with his wife Missy and daughter Sarah. Maureen was preceded in death by her daughter Denise.

She was a follower of Jesus and displayed generosity and hospitality to those she knew and did not know. Every day she let her love of the Lord shine. This gives her family hope and comfort knowing that separation is temporary and there will be a great union in the eternal Kingdom of Jesus.

Maureen was a fighter. For over a decade she battled a second occurrence of breast cancer. When others would have given up, Moe (as her friends called her) put one foot in front of the other and refused to give up hope.

She was a wife of over 50 years, which takes endurance by anyone's measure. (See the photos page for a picture of Moe and Will on their 50th anniversary day.)

Two children were born to the union of Maureen and Wilfred. An amazing,

handsome son (who is typing this) Scott, and a beautiful, strong daughter Denise.

Scott married a small, vivacious woman named Missy and they had a daughter named Sarah Grace. Through all Moe's struggles, Sarah remained a source of strength and encouragement. They had a close relationship. (See the photos page for a picture of the entire family on vacation in Portland Maine.)

There is so much more to say about Maureen and we hope you will share stories on this page. Already she is missed desperately and her family feels a deep void where her presence once stood.

Maureen did not want a funeral service. Her ashes will be interred at Cape Canaveral Cemetary. A celebration of life party is planned for April. For more information email her son Scott at [scottperkster@gmail.com](mailto:scottperkster@gmail.com).

“ Dear Will, Scott, Missy and Sara.

We are so very sorry for your loss. Maureen was such a special person, so kind, loving and always willing to help, her humor and quick wit was second to none. We are fortunate to be a part of the family she loved so deeply and we will hold dear our memories of her and the many wonderful family gatherings hosted on Westover Street and Glenn Drive. We are also thankful that both Will and Maureen shared their love and faith with our son Michael as his godparents. Hoping you all find comfort in your friends and family, that your faith will sustain you as it did Maureen and we hope that loving memories of her will help you smile again. We will miss her. We love you all. Michael and Celeste

“ Your Mom was a beautiful smart and talented woman with a strong will to be there for her family in good times and not so good times She was a pillar of strength and poise who could make sense out of any situation. Maureen was generous willing to help at a moments notice which she often did without question I will always remember the wonderful times we spent in Florida especially at one Christmas that exceeded all of my expectations. Every detail of our stay was perfectly planned The kindness and generosity your Mom showed us through the years will never be forgotten. Love and Peace to you all Aunt Bev

“ So sorry to hear of Maureen’s, Mrs Perkins to me, passing. Of all my memories, one I always come back to is one of my family’s first years in Florida We were putting up our Chris tree and Mrs Perkins stopped by with me Perkins and had some bush beer they were drinking. As the night continued, the beer cans started being hung on the tree instead of the ornaments. I believe Mrs Perkins named our tree the “Christmas bush” as the whole tree was covered only in beer cans! Those were fun times! She will be missed
