“ *My prayers to Doc and Maxine's family. That radiant heart and beaming smile will be forever missed but she is surely beaming now in the presence of our Lord. No more pain, no more tears just sheer joy for her right now. We will see her soon and share her with the Lord.*

“ *Maxine was a wonderful nurse and friend who had helping hands that touched my life and all of her PCU/ICU South Seminole staff with kindness, gentleness, and compassion..she would always reach out and give us a timely hug when you needed one..and had a genuine smile and loving heart that cared for us and gave us so much wisdom and nursing knowledge. She was a terrific listener and a great Nursing Manager. Her tireless efforts made her push through challenges as they came her way. She was a determined and dedicated nurse. She will indeed be missed but her memories and spirit will remain in all of our hearts forever. Thinking of her entire family especially Dr. Dawson, Shawn and Tom. You have my deepest sympathy. Maxine was truly an extraordinary person that I will never forget. May she rest in peace and her memory live forever.*

“ Comes The Dawn ...after a while you learn the subtle difference between holding a hand and chaining a soul.. And you learn that love does not mean leaning.... and company doesn't mean security...and you begin to learn that kisses aren't contracts...and presents aren 't promises...and you begin to accept your defeats with your heads up and your eyes open...with the grace of a woman not the grief of a child.... And learn how to build all your roads on today because tomorrow 's ground is too uncertain for plans and futures have a way of falling down in mid flight. After a while you learn that even sunshine burns if you get too much..so you plant your own garden and decorate your own soul instead of waiting for someone to bring you flowers ... And you learn that you really can endure .. That you really are strong... That you really have worth... And you learn and learn ... With every good - bye you learn.... I love and will miss you very much , my dearly beloved friend! Letty

“ *If I had to use one word to describe Maxine, it would be compassionate. She had such a kind and gentle heart that poured love onto those who were in need, whether people or pets. Her heart's desire was to start a program of experienced volunteers who would visit others going through serious health problems. She saw the need to encourage others. May her vision be fulfilled in the future! Love and prayers to all of the family, Judy*
