“ *I remember being one of the many young adults at church and Ate May was like our Leader, our "Mom." She was always smiling, laughing and being an example to us. I looked up to her and I will forever remember those fun times. I'm grateful for the rest of the Sanoy family for welcoming us into your home allowing us kids to have fun and bond to become one big family. Ate May, thank you for being that great example. We will always love you.*
