“ *Talk it over with God
You're worried and troubled about everything.
wondering and Fearing what tommorow will bring.
You long to tell someone for you feel so alone.
But you friends are all burdined with cares of their own. There is only
one friend. Who is never to busy and you can always depend.
That he will be waiting with arms opened wide
To hear all your troubles that you come to confide.
For the heavenly Father will always be there. When you seek him
and find him at the altar of Prayer.
Mom this was special I thought you would love to hear it again in
heaven, you wrote this years ago and I know how much you loved
reading reflections and special poems related to god.
Dale and I will miss you so much! We will meet again in heaven one
day! Live , Love , Laugh
Your the best mom ever! Love your Son Dale and Sheila we will
always think of you.##imported-begin##Dale and

“ *A Grandmother Is Love*

*A grandmother has a lovely way
of bringing joy to every day
by finding thoughtful things to do
to show the love she has for you. . .
She always seems to understand,
She always lends a helping hand.
She's someone special, someone dear,
Who's loved more with each passing year. . .
A grandmother is so many things,
It's hard to describe the joy she brings.
She's a wonderful blessing from above. . .
For, most of all, a grandmother is love.*

*Sincerley with all our love,
Ryan, Autumn, & Kelly##imported-begin##Ryan##imported-end##*
