“ I remember when Mr. Sonny helped me fix my dryer at my house one time. He said, Come here young man. Let me show you how to do this because ya'll young folks do know how to do nothing but play on them phones. Lol. He was a real matter-of-fact. He didn't say a whole lot. But when he did speak, it was worth listening to. He'll be greatly missed. I love you all. Be encouraged!
