

Melissa Nicole Walker

August 31, 1984 - October 30, 2016

From the moment she entered our lives on August 31, 1984, our Melissa, “Moe,” filled our days with laughter and fun. Melissa had many talents, including photography, fashion design, cooking, and was a remarkable artist, but the greatest gift she gave us was the love she had for her family. She was exceptional at cultivating her relationships with friends and her heart was always open to love, making friends out of strangers within minutes into the conversation. We will miss you, Moe, but the memories you left will continue to inspire us to live, love, and laugh.

Melissa is survived by her parents, John and Iris, brother Johnny, grandmother Noemi Faloh, uncles Rick and Jesse Faloh, and Mike Walker (Sandy), cousins, Doug Sullivan, Lisa McAdams (Mark), Terren Faloh, Adrianna Faloh, Ashley Ryberg (Justin), and Angela Shimer (Jacob), and her many wonderful friends, personal and professional. In lieu of flowers, the family suggests donations be made in her honor to New Hope for Kids or your local SPCA.

A Celebration of Melissa’s Life will take place on Sunday, November 6, 2016, 1:00 p.m. - 5:00 p.m., at her uncles’ home, 4830 Lillian Black Road, St. Cloud, FL 34771. Please join us but come in your jeans and flip-flops, with a smile on your face and a joyous heart!

“ *My heart has so many more beautiful memories because of you. You had and always will have a special place in my heart. You are gone way too soon, but you left an amazing impact on so many people so you obviously lived life! I will cherish the special moments we shared. I appreciate all of our moments together. You were such a generous and loving person. I will miss our creative moments, never ending humorous moments...the eye contact that would send us over the edge and the never ending of just shaking our heads and rolling eyes! You brought me joy. “ *Melissa (or Mo as she was lovingly called) was a sweet and caring lady, and I will miss her. She played in our game night (rummikub) and we had a wonderful time with her. She was taken from us too soon, but God now has another angel in heaven. Love and miss you Mo, Sue Brady*

“ *From the day she was born, Moe had a smile that would melt any
heart and beautiful Elizabeth Taylor eyes that you could never
forget. She was creative, happy, fun and loved others passionately
and completely. God has her now as one of His loving Angels, but
the memories of times with Melissa and her addictive laughter will
never leave those of us who she so richly blessed along her path of
life. May God bring comfort and peace to her precious family. I love
you all! Beth*
