

Melvin Chandler III

June 26, 1972 - February 24, 2022

Melvin Chandler III passed away on February 24, 2022 at 49 after a short battle with cancer surrounded by his loved ones.

Melvin loved his career as a Thermo King Technician and was so proud of his job and loved to get dirty. He loved trying new beers, smoking meat on the grill, making stews or gravies for all of his family and friends. He loved playing pool, listening to music, playing air guitar and watching his favorite team the Georgia bulldogs! He loved to sew and take on new projects such as quilting and upholstery. His memory will live on in his family's heart forever as we remember all the goofy things he said and corny faces he made.

He is survived by his wife and first love, Alecia Chandler, his daughters, Amber and Olivia Chandler, his sister Stacey Hall, his cousin/brother Robert Driggers, his nieces Ashley Anderson, Holly Reynolds, Kaylan Hall, his nephews Michael Telladira and David Hall and many aunts, uncles and cousins that loved him dearly.

His celebration of life service will be held on Sunday, February 27th from 2:30-4pm at 8151 Clarcona Ocoee Road Orlando, FL 32818 at Radiant Life Assembly of God.

“ It's had to believe that you are gone I try and remember the good times when you were growing up the funny things you kids would do how you would laugh about everything for no reason. How when you and Robert got older and y'all would go somewhere and y'all would come y'all would have got into a fight with someone. When you met Alisha and told us that you liked her than y'all got married and I always knew you would make a good husband to her even though y'all had your ups and downs when y'all had Amber and Olivia I knew you would be a great dad. I will miss you calling me and saying just checking on you and Uncle Joe. We love you And Alisha and the girls just know if y'all need anything we are here. ❤️

“ Sitting here thinking of you dad, your presence will always be missed. I knew I would have to face this at some point but not this early. I love you dad

“ Big hugs to you and the girls during this very difficult time. Melvin could be a man of few words at times but he would do anything for his friends and family. He brought some much joy to your lives and it seems like only yesterday you were 2 teenagers in love. He will always be remembered❤️
