“ *Although our family is spread out we are still very much "family". Uncle Melvin was the second child of Odelle and Everett Walker..my grandparents. As a family we mourn his loss. He was the last of my moms family to pass and that brings an additional sense of loss. I have a quote that was given to me that I think describes the Walker family.."Families are held together by choice. Members are alike and unlike, yet there is comfort in the sameness and excitement in the differences. When we respect and relish both conditions, we can call ourselves family". I think that says it all. My love and heartfelt sympathies to Guy, Melvin, Linda and Sherry. We cannot not be there with you but we will hold you close to our hearts. Rest in peace Uncle Melvin. “ I will always have the memories and the family you blessed me with. And I know of it wasn't for you being you, I wouldn't be me. You will always own a piece of my heart, and will be missed. I know I didn't say it enough but "I love you dad"
