“ *Patricia Lee - Friend posted a condolence I learned a lot from Meredith over the last few decades practicing family law in Pinellas County, and was always impressed, not just with her legal acumen, but also with her artistic sense, and above all, her love of her children and grandchildren. I understand saying so can't make up for her absence now, but will say anyway that I am confident Meredith lead a good life, and is leaving behind a wonderful legacy of family, friends, and peers. You will be in thought and prayer during this difficult time. Tricia Lee*
