“ I am so sorry for your loss. Mike was a great man with the biggest heart and will be missed by so many. He was always willing to do what he could to help others and the best mechanic ever! More than that, his kids and Grandbabies were his World. My heart goes out to you all and I pray you have peace.

“ I will forever be grateful for moments where love was the catalyst for our connection.

Thank you for that.

Now go, enjoy, all the fishing, sailing, & finish lines in abundance!

The girls are handling this w/ all the grace strength & resilience you always knew they had. I know you're smiling with pride in their brilliant light that you helped cultivate in so many ways.

<3 Rest easy Michael

Michael,

Our friendship spanned the better part of four decades. We were young men when we met and we were supposed to grow old together. You lived and loved fiercely and all who knew you felt that when they were around you. The legacy you have left in your beautiful girls and grandchildren will continue to spread your love now that you are at rest. I'm grateful for the many memories I have of our times together and I trust I'll see you again my dear friend. Be at peace.

Love,

Malcolm
