“ *Randa - Friend posted a condolence Mike, I think about you alot, even more recently- I can only imagine how proud you must be of your kids, I could also kick your ass for not being here to tell them how proud you are! Eric misses you, even if he rarely admits it, I'm so sorry I wasn't there for you that night you called me, I knew you needed me, but your stubborn ass wouldn't say it and so I will always carry that regret. Send some love to Britt, Blayne and Pika, all 3 need it right now for various reasons. Your missed more than you ever imagined you could be Mike. I love you*
