“ *It's hard to put into words how to express my love for Uncle Mike. He was a gentleman with a spirit that was amazing. He had a calming presence and was so selfless. In the last eight years since we moved here he blessed my family with being apart of our life's. He always treated my children as if they we're his own grandchildren. Thank you Uncle Mike for always being an example of how a real man treats his loved ones. May you Rest In Peace. I love you!*

*Michael was a beautiful person!! He had a heart of gold, a calmness about him, & a very loving husband, father, & a very loving man!! Michael has been my hero since I was a little girl!! I was afraid of the ending of a circus with the clown in the cannon & was usually loud. So, Michael took my hand picked me up & went outside of the area. I will never forget for being my hero that day at the circus!! What a caring man he was also!! Prayers to Michael & his whole family!! 🙏🌸🙏🌸
RIP Michael!! 🙏❤️🙏🌸🌸*

“ *Mike was such a great man. He truly had a heart of gold. After knowing him for 25 years I come to realize that men like Mike are 1 in a million. He was always willing to help anybody and everybody out, he could make you smile even when you're having a rough day. I don't know if there is bowling in heaven but if there isn't, I'm sure there is now! He has touched so many hearts and will be missed by so many. Condolences to his wife and his family.*

*Rest in Peace
