“ I remember Michael so well only as a young boy entering preschool. He has a wonderful Spirit and Loved his Family so very much. He will be well missed....Mrs Ellen and Family

“ Dear Donna - I was so sorry to see the notice in the Sentinel. I remember how much you worried and cared about Michael, and your tremendous efforts to help him. I wonder if things were better in the last 8 years, and hope you had good moments that you can hold onto.

Wishing you and your family peace -
