“ *J.O. Tobin - Friend/biz associate posted a condolence I shall never forget you Michael. You were such a good listener. The best salesman I ever met. I remember when you explained to me that when someone calls you friend it means exactly the opposite. I remember the amazing early years at Eagle Mortgage with you, Ken, Sharon, James, Janet and Glen. You could talk me into almost anything even when I knew it was a bad idea cause you were so charming. It was hard to stay mad at you because I always felt you meant well. You were such a dreamer you would come into work with a legal pad worth of ideas all written out. The way you would inspire the troops was inspiring. I remember you called me a few years ago and we chatted. You were a wonderful soul I will miss you.*

“ *Deirdre Lorenz - Niece posted a condolence Dear Family and Friends, I'm so happy that I knew Uncle Michael. He truly had a larger than life personality; funny, friendly and super generous. I enjoyed our young years living out on the Cheshire, Oregon farm with him, Aunt Jamie and cousin John (and their sweet dog, Jed). I remember him patiently teaching me about the vegetables and flowers in their garden, and being so genuinely kind to all of us. I'll never forget the time he took my mom and I out for a spin in his new canary yellow convertible corvette. I was completely excited as I had never been in a convertible or seen anything so fancy or so new in my entire life. We cruised along the country roads on that stunning sunny day and really laughed and enjoyed the moment. I cherish the great memories of Uncle Michael, and that's how I will always remember him- living life to the fullest and taking time to smell the roses. Thanks for the memories, Uncle Michael. We will never forget you (or your famous homemade ice cream)! With love, Deirdre*

“ *Sharon Lee Gates - friend posted a condolence Today's celebration of Mike's life so just great! I loved the photo montage on the board and the slide show on the DVD--just great photos and they made me happy in my sadness. The family is truly superior in every way and seeing all of you together today was a rich blessing to me. The obituary is so beautiful and descriptive, the combination of tears and laughter of those who came to celebrate his life were touching and beautifully expressed. Mike's and Jamie's children are a true credit to them. Maybe someday Mike will get the grandchildren he wished for and if he does, I know he will be looking down with laughter and they will be entertained with stories about their Granddaddy. Love to you all.*

“ *Jill Bates - Sister-in-spirit posted a condolence I will always cherish the fond memories of living with Michael and Jamie in Cheshire, Oregon for a summer when John was a baby. Michael had an amazing joy for living with a bigger-than-life personality. His exuberance was infectious whether it was saving the planet, changing the world, or simply picking vegetables in his garden. Michael was much like a shepherd with a flock...everyone wanted to sit at his table and feast on his stories and laughter. The bright light of Michael's loving and kind soul will never be forgotten.*
