“ *Corinne Broskette - neighbor posted a condolence My heart goes out to the Gemelli family at this time. I have lived next door since 1980, and have watched this family grow over the years. Always loving and caring for them, Michael was a good father, grandfather and great grandfather. May he find peace.*

“ Stephanie Phillips - Mistress of the King posted a condolence Paula, You and I had many great conversations about my Dad, but along with those special talks, we had the best of times. King Tommy and I spoke all the time about our time together in Fantasy Fest. I remember when the band we hired to take us through the cemetery and on to the bar hop pulled Mike up on the tail gate and let him lead us through the Friday Night Parade. There he sat with his leg on the side leading us all through the wonder of Fantasy Fest. For both of these joyful times we shared together, I love you.
