“ *A little girls first love is her daddy. This is my daddy. He was so much more than a son, father, husband, uncle, brother, and friend. He is my daddy. There are no words to describe how much I love this man. I will forever be grateful for everything he did to give me these amazing memories that I will forever hold in my heart and soul. I love you to the moon he said to me and I will love him to heaven forever and more. I love you Daddy.*
