“ Mike is so often on my mind and there is still a hollow hole in my heart that he used to fill. I feel the emptiness still. Nearly 5 years since you left us, my dear friend and I miss you just as much now as I did when you left. I cannot forget our heart-to-heart conversations late at night when it was slow at NBC for short periods. Forever grateful for your friendship. Cate (Cathy) Donahoe

*I have a great hole in my heart, and my life....my wonderful longtime friend Michael Greenidge has passed away. There was no sweeter or kinder man than Michael. Which is kind of ironic since he was Imus in the Morning's first engineer in NY. I don't know how he survived as long as he did doing that show! We have many wonderful memories of Michael that will live with us always. One of my favorite things about Michael was our conversations, whether in person or on the phone. We would segue from topic to topic for hours and still have tons to say. Mike was truly interested in everything!
We were blessed with his friendship, and his memory will live with us always. There was nobody like Michael.
Love you, my brother.....Rest in Peace.....*

“ Dear Family, I am so very sorry about the loss of year dear loved one. May the thought at Job 33:25 give you comfort in knowing that Mr. Greenidge will return to the days of his youth and be able to enjoy life without the infirmities of old age. My sincere condolences to you.

“ *I worked with Mike at NBC in the 1990s. He was one of the nicest, friendliest, kindest, funniest, and most gentle people I've ever known. In the (roughly) decade that we worked together Mike became a good friend and confidant. He was always there with a ready ear and some good Trinidad wisdom when you were feeling down. I miss him terribly and offer my sympathies and prayers to his family.*
