“ I will always and have always remembered you Mickey LaRocca... we grew up a few blocks from each other and we spent many a day hanging out with your friends and brothers on Hannah. What fun times we had..... You would walk me home and then you always help my mother bring in the groceries and she would tell me would a good boy you were. You've held a special place in my heart my entire life and I'm sad that I only just got this news and I'm here in Orlando and could have attended your service..... May you rest in peace my dear friend. My thoughts and prayers go out to your family and friends.

“ Thinking of my 7 LaRocca boys this week with so much love, sadness & great memories. I always felt like I was a big sister in the midst of all the rough boy stuff & I sure loved it! I still feel that way & love you all... and of course my fun Uncle Mikey & beautiful Aunt Barb. Agree with Connie, what a great way to grow up being so close to all our LaRocca cousins... we will surely miss our little Mickey "Dee Dee"!
