“ *My Dearest Michael, we shared so many years of fun and laughter together as children, you were a special person and a great brother to me, I shall think of you with such fondness and hope that one day we'll meet again and be able to laugh together. Do you remember Michael how you used to call me 'peanuts' from the comic strip in the paper. You always had special names for me. I will miss you so very much and will never forget you. Rest in peace Michael. Your little sister, Anita*

“ *Erwin and I are both very saddened by the sudden and unexpected passing of Mike.*

We spent many happy times with Mike and Kay, and he will be missed by both of us. As Christians, we know Mike is in a good place and experiencing something wonderful.

Mike was a very talented, smart, and interesting person, and he loved his wife, Kay, very much. He seemed to like to experience new things, and he had a strong sense of wanting people to do the right thing so the world would be a good place to live. The world is less without him in it to add his special views and ideas about so many important things. Heaven is more with Mike to add his musical contribution to the choirs of angels.

Mike, I hope you know that we are thinking of you and missing you.

“ I will so miss Mike's hearty laugh, quick wit, hugs and discussions/debates. He is the ONLY one on this planet that I allowed to call me Pammy. It always sounded so affectionate and loving (as he was). Love to you and the boys Kay, Pam Chandler
