“ We came to know Mike after he was hired at the Winter Springs Fire Department. He was a great firefighter and paramedic. But most important, he was a dear man who was kind, compassionate, sympathetic and thoughtful. We remember, one morning, Mike coming over to our house after he was on duty (we lived right around the corner from the Station at the time) just for a surprise visit. He spent that morning just "hanging out" on the floor and interacting with our infant son -- it touched our hearts. And we remember attending a few off-duty "functions" at his home and how welcomed he and Ali always made us feel. We pray for Mike's family, that they find peace and comfort in their loving memories of him and in each other.

*God Bless,*

“ I have such fond memories of Mike, Ali, and the girls when we were neighbors in Casselberry. We had a lot of fun get togethers. What a great family. Mike was a kind, caring man and a great humanitarian. May he rest in heaven with our Lord. May his love and memories live on forever. Sincerely, Barbara Bates

“ One of the nicest guys I met when my husband started at Winter Springs Fire Dept. He was so kind to our family. He was a great paramedic and fire fighter with so much to teach all the probies. I will never forget his smiling face and his kindness towards my little girl and me. This is a great loss to all who new him and those who will never have the joy of knowing him. God bless his family. Our thoughts and prayers are with them. Kathy Quinteros
