“ Mike, only knew you for a short amount of time but the time that we had was the best! It was so great to have meet you and shared good times together.

I'll never forget your low, loud voice that I could hear from my bedroom when you were outside....lol or how you sounded like yogi bear...lol, Love the times we went out to the clubs and you would just dance liked to didn't care who was watching, running into people and all, lol. Thanks for helping with Knuckles when he got away from me...lol. I'll never forget the great times we had together. It was great standing next to you as you watch snow fall from the sky for the first time :) puts a big smile on my face when thinking of these memories.

Miss having you here at our house every night and eating dinner with us. Kinley, my 3 year old daughter, asks about you, she misses you. I know you enjoyed her company and helping with her because you missed your daughter sooo much! So many memories in such a short amount of time of knowing you. So wonderful to have known you. You will truly be missed here in Georgia.
