Michael (Mike) J. Monahan passed away at his home at the age of 68, surrounded by love. A devoted husband, father, grandfather, brother, and friend, Mike lived a life grounded in faith in his Lord and Savior Jesus Christ, compassion, and unwavering dedication to others.

Born to the late Michael and Lorraine Monahan, Mike was a man who led with his heart. He found the love of his life in his wife, Asli, with whom he shared a deep and joyful bond. Together, they built a life full of love, family, and purpose.

Mike was a devoted father to his son Michael and his wife Anne, and an adoring grandfather to Emerson and Owen, all of Londonderry, NH. His greatest joy came from being with his family—whether sharing stories, offering wisdom, or simply enjoying time together.

Mike was a beloved uncle to Brian and his wife Maura and their children Maeve and Tighe of Boston, MA; Patrick and his wife Ashleigh of Londonderry, NH; and Matthew of Londonderry, NH. He cherished every moment spent with his extended family.

Mike's love and respect extended across continents to his in-laws: Hayrettin

and Hilkat Karagoz, and his brother-in-law Bahadir and his wife Funda Karagoz of Turkey. He also held a special place in his heart for his niece Ece Erten of Manhattan, New York.

Faith and service were cornerstones of Mike's life. He was an active member of Saint Peter's Episcopal Church in Lake Mary, Florida, where he gave generously of his time and spirit. He delivered food, clothing, and supplies to the homeless and volunteered with Grace and Grits, feeding those facing food insecurity in the community.

Mike also served as treasurer and a committed volunteer for Mountain of Hope humanitarian Christian ministry delivering relief and hope to the people of Honduras. His selfless service brought light and comfort to many lives.

“ With deep sorrow, we say goodbye to our cherished friend, Michael Monahan. For over 30 years, he was like brother friend and family to us, filling our lives with warmth, laughter, and countless unforgettable memories. He and Aslı were there for us when my daughter Pınar was born. From our joyful times in Massachusetts to the friendship that continued across the miles, Michael's kindness and positivity touched everyone around him.

His courageous spirit in the face of health challenges inspired us all. We will forever treasure the moments we shared and the bond we built over the years. Thank you, Michael, for being such a wonderful friend. You will be deeply missed and always remembered.

Michael'i kabeybetmenin derin şok ve üzüntüsü içindeyim. Michael benim için hem kardeş hem bir arkadaş hem bir de yakın dostu Başımız sağ olsun.

“ Even though I was just a toddler when we spent time together, your spirit touched my life in ways that still linger. Through the photos and gifts, and the stories shared over the years, I came to know your kindness, generosity, and the light you carried.

I believe that light lives on — in heaven and in our hearts.

Thank you, Uncle Michael, for all you and Aunt Aslı have done for us.

May your soul find peace and eternal rest in God's embrace.

“ We loved Michael very much. Some of our favorite memories were with him. He opened his home to us with his love and we had the best holiday of our lives. He was our daughter’s uncle and cared for her. We shall miss him forever while we hope that Jesus welcomes him in his heaven...he will remain in our hearts forever...

“ We were so sad to hear about Michael’s passing. It’s hard to believe it’s been 11 years since we first met him. From the very beginning, he was always kind, warm, and full of positivity.

He had a way of making people feel comfortable and welcome, and his smile could brighten any room. It just doesn’t feel fair to lose someone like him so soon—68 still feels too young.

We’ll always remember the good times and the kindness he showed to everyone around him. He’ll be truly missed.

*With love,

“ Uncle Michael was a kind, caring man who meant a lot to all of us. When my sister Ceylin was very sick, he prayed for us and always helped. His gentle words and faithful heart gave us strength in our hardest times. He even took me shooting once, and I will never forget how excited and happy I felt in that moment. He sat with us, shared a warm smile, and reminded us we were not alone. His kindness was a true gift, and we'll always be thankful for the love he showed our family. May he rest in peace, and may you find comfort in your happy memories together.

“ I've known Mike since birth. My older cousin by 6 months. As youngsters we spent many times roaming his house and neighborhood in Chelsea. Always a fun but kind soul.
