“ Mikie I will forever hold you in my heart. You were the best ever. I loved you like a brother and will never forget how interesting you made my days at work. Never a bad day. Thanksgivings and NYE's. Barbeques and dumb sports lol 7 layer dip and nachos. Crazy times, happy times and sad times. This is the saddest though and you can't offer a joke or punch line to brighten it this time. I don't believe we will be able to make the memorial due to the current world situation. But know I will be there in heart. Much Love Mikie

“ My heart has been so heavy this week. I too have lost a husband so I truly understand the anguish and pain Nicole and the family are going through. It's truly a nightmare that you can't wake up from. Mike and I had our differences early on since we were both APA captains for many years. However I think we really got to know each other on a Poolplayer cruise. I will never forget him shoving about 50 marshmallows in his mouth in the chubby bunny contest. He was truly a blessing to all and will be truly missed by all that knew him. Heaven gained a real shining star.

“ *The first time our daughter, Kelley Davenport said mom I have two great friends I want to bring to your parties, my husband Bryan and I were both blessed to have me and made two wonderful friends. For those that know Bryan and myself, we have had quite a few "gatherings" and each time Michael and his beautiful wife could come, they were there, always smiling and sharing laughs. We are saddened to lose such a beautiful soul on earth but the heavens above have gained this wonderful person. You will be missed Michael by so many, but you will not be forgotten. Rest in Peace knowing your awesome strong wife "has got this". Our love. Debra Ann, Bryan and Kelley.*
