“ My heart has been very heavy since I heard of Michael’s (MAC’S) illness and passing. Michael and my son, also Michael were part of a small, close knit group of friends from St. Mary Magdalen Elementary School in Altamonte Spring, Fl., which continued and expanded at Bishop Moore High School, Orlando, Fl. I fondly remember his many visits to our house and those of the other friends. They were a bunch of happy, fun loving kids, who grew up together and stayed connected after school days were over.

Sending my deepest condolences to his beloved mother and sister, as well as his other relatives and girlfriend. May the sweet memories and shared experiences with Michael sustain you during this difficult time and, with time, I pray your tears turn to smiles.
