“ Mike and I both attended CSU where we became good friends. We graduated in 1978 and joined the Peace Corps and were sent as Volunteers to Thailand where our friendship blossomed. He was a great guy and over the years I have tried to trace him through various Internet-based search engines. I felt such loss when I found his obituary just now. I wish I had had a chance to spend some time with him before he passed away. So glad to know his faith in God was strong. Rest in Peach old friend. Bill Barclay, South Londonderry, Vermont.

“ I was so sorry to hear about Mike's passing. I had the pleasure of working with Mike at The Legacy Club at Alaqua Lakes for six plus years. He was such a good person and well liked by his employees and all other staff. He had a great sense of humor, memorable laugh, and a positive outlook on life even after he became sick. I admired him for the way he loved his family and always talked about his kids. He was very proud of them. My sincere condolences to Tana and the whole family.

God Bless, Ron & Jo Ann Parris

“ Michael a lovely, lovely man!! Adrian and I will miss you !!

I first meet Michael in Thailand. He and Tana were living there with their 3 children. Tana was pregnant but the delivery was touch and go and no one was sure that the baby would survive!! Here Michael's strong Christian faith and constant prayers were a shining example to us all. Michael knew that the baby would be fine, he ask the Lord to answer his prayers and he did!! Tiny baby Andy was born and look at him now!! Later on I had personal problems and Tana and Michael without hesitation and unquestioning friendship took myself and my son in. Although Michael was working at 12 to 14 hour days, his heart was generous of spirit and I was grateful to him and Tana.

More recently Adrian and I visited Tana and Michael in their Orlando home. We had a really good time!! We all played Golf and I was completely rubbish!! Here again Michael simple said " you just keep whacking that bunker Michelle, we will wait for you, it's ok " Knowing it was OK made all the difference to me! That was Michael supportive and kind!! A lovely warm hearted man with a lovely smile and big heart!

I know Michael is looking down over his family and guiding them along life pathways!!
