

Michael Hughes Tudor

October 16, 1951 - July 23, 2025

Michael Hughes Tudor, 73, of Winter Haven, FL passed away peacefully on July 23rd, 2025.

Mike was born in Winchester, KY to the late Nay Henderson Tudor and Frances (Nee Whicker) Tudor.

Mike “lived and breathed” the Antique and Estate Sale Business for over 45 Years, was an active member of the Orlando and Winter Park communities, known by everyone, and was a member of All Saints Episcopal Church in Winter Park. He always had a young-at-heart personality. A personality that always “filled up a room” and invited everyone to join, with a voice you would recognize anywhere. Mike loved hosting and entertaining both friends and family in his home, where guests were often treated to his wonderfully cooked home-made meals. Not least of all, Mike took great pride in his holiday decorations, both inside and out, the “bigger” the better. His pets were friends who filled his life with great joy. His memory will live on in the hearts of family and friends.

Mike is survived by several nieces and nephews, as well as many good friends who will miss him dearly. He is preceded in death by his brothers, Donald Lee, Robert and Edward, and sister Beverly Ann Benefield.

Services will be held at All Saints Episcopal Church on Friday, August 15th at 11:00am.

I was so sorry to hear of Mike's passing. I first met Mike when he was working with his Mother in the antique store. He was so knowledgeable and always interested to talk about antiques. He will be missed ...Alice Massey

“ I met Mike when I was in 10th grade at Edgewater high school. He was a senior and he had to be the funniest guy I have ever met. Mike, Moe Allen and I, shared so many laughs! There is no way I could remember all the fun things we did. Without him, high school would have been so dull! Although many years would pass, we would still run into each other and pick up like we had just seen each other! Once, he moved in across the street from me! I haven't seen Mike in the last few years, but I expected to. I really did. I will always love you for coming into my life just when I needed you. Chrissy Macnamara

“ Mike was a good friend of mine for over 47 years, although he thought that it was more like 50 years. Mike was very good and quite kind to me. We shared a lot of good times, hard work and many wonderful memories together. Mike and I were roommates for years and were more like a brother and a sister, . . . siblings who laughed, cried, had fun, and squabbled. No matter what, we loved each other. I'm glad that Mike is now reunited with his family, who he missed immensely, especially his mother, Frances. Mike is now at peace. I will always have fond recollections of Mike and there will be a perpetual place in my heart for him. He may be gone, but he will not be forgotten.

“ *I started working with him in 1990 at The Sugartree antiques on Mills Ave. I have worked for Mike for about 25 years. There's so much I can tell about him and what he did to me. Michael Tudor was like a big brother to me. I'm going to miss him so much. Least Mike will get to see my mom in heaven. My mom thinks of the world of Mike. Mike Tudor I'll see you when I leave this world and we will raise a lot in heaven.*
