“ My condolences to Mickeys family & Sam. Mickey was my mentor & trainer when I began working at college 7 yrs ago . We continued to share many stories, had many laughs together. She encouraged me when I had my surgery & visited me often. I will miss her laugh & cherished friendship. I'm so grateful to have been blessed with our friendship & will cling to our memories. “ Micky, as we knew her at Seminole State was one of my heroes. Always positive and a delight to work with. I would always think to myself, I hope I can keep going, working and serving others as she did. She was a wonderful nurse and the students loved her. Her legacy will be missed. Joel ( Nursing, SSC)
