“ *There are no words to express the sadness that has been bestowed on all of us with the loss of such a really great person. It has been wonderful to have been partnered with him at work, even in the mornings when he wasn't at his most chipperness. I can only "Thank" Mike for all he did for me. There can never be a replacement, he is irreplaceable. God has a plan in everything he does and bringing me to MEM and being able to get to know Mike will leave footprints on my heart forever. You will be missed very much. I know you will continue your journey to guide us and watch over us.##imported-begin##Wendy##imported-end##*

“ Mike was that friend that everyone hopes to have come into their lives. Loyal, understanding, always there with a helping hand, just there in any way his family or friends needed him. He was a huge impact on many peoples lives and will be greatly missed. Nothing can ever replace the loss of a friend that has meant so much. The only comfort is in knowing all the memories you shared will live with you forever. He will always be with you.

To his children....the loss of a father is something that is hard to overcome. But it can be done. Take comfort in the fact your dad loved you very much and will always be in your hearts. You will see him again one day. Just look in the eyes of your future children. Hear him in their laughter and make sure you smile. Live your lives to the fullest because he is watching over you.##imported-begin##Paula##imported-end##

“ I've heard that God works in mysterious ways and I've seen it first hand. You have been taken away from us too early, so I know God must have a plan for you. I know that you will be there looking down over all of us, supporting us, and helping us make the right decisions; weather they are work related or personal. Thank you for overseeing all of us. I have always enjoyed working for you and having you as my boss. To have worked with you, been in your and your family's life means more to me than anyone will ever know. I enjoyed all the good times and all of the times we disagreed because I knew our friendship had a deep understanding. We were always friends, we always will be. You will never know what it means to have had you in my life. I want to thank you and your family for having invited me into your lives. Thank you for always being there when I needed you. I could only hope I was there when you needed me. Although you are gone from our lives you will never be forgotten by all of those that you have touched. I will still be talking to you because I know you will always be with me.##imported-begin##Jim##imported-end##

“ I have so many great memories of Mike. We helped each other through some rough times yet we always seemed to find a smile, a laugh and another story to tell. My love to Jayson, Chelsea, Jono and Mark. I'm sure that Mike will be with you always and I wish for you to always feel his presence in your lives. My best to Vicki at this difficult time. I can't imagine Pepsi and MEM without Mike. I'm glad to have a permanent reminder of our years together; however, It is heartbreaking to be so far away and not to have been able to say goodbye to my roommate, my confidante, my dear best friend.##imported-begin##Cheryl Carroll##imported-end##

“ As I figure it, Mike was my work partner for over half my adult life. We saw each other through so many milestones in both our business and personal lives, some good, some not so good. The important thing is we were always there for each other, no matter what the circumstance we had each others back. I am so lucky to have had Mike in my life. My memories of our times together will be with me forever. Thank you, Mike, for being the most loyal friend a person could ever hope for. As we go forward, our thoughts and prayers are with the family. Jay, Chelsie, and Johno, understand that anytime you need anything and we can help, Melody and I will be there for you.##imported-begin##Mike Satterfield and Melody Cason##imported-end##

“ *It has been my privilege to know and to work with Mike for the last 20 plus years. Being able to visit with him in the hospital will be a cherished memory for me. Mike always was willing to share his knowledge, wisdom, and love for life. He had that tall and easy way of moving that seemed to give confidence and comfort, I will miss the conversations, but the memories will be with me always. My deepest condolences to the family and other friends knowing how we all will miss him, I add my prayers for your comfort, and peace in these times of sorrow.##imported-begin##Tom Roberts##imported-end##*

“ I wish you much comfort, peace and many happy memories of him to get you through this difficult time. Mike was a good friend and great to work with the many years at Pepsi. He was always willing to lend a helping hand whenever needed. I have vivid memories working together in Miami converting the stadium. We had a difficult time with the project but he was always encouraging and funny, making it easier to get the job done. I will sincerely miss the camaraderie and conversations we had about work and riding motorcycles.
